

Interior Designer - Mid Level

Seattle's leading hospitality design firm is seeking full-time permanent interior designers who have demonstrated excellence in their career and are looking for a creative environment dedicated to design excellence.

We are a design-oriented, medium sized firm specializing in hotel and resort design and large-scale mixed-use projects that have a hospitality component. Our work is evenly divided between architecture and interior design - new construction and renovation. In keeping with our concept of integrated architecture and interior design, we are looking for professionals who are comfortable working in both. Projects are located in prime markets throughout the United States with a heavy emphasis on the West Coast.

Our standard for excellence begins with our people. Please see our website: www.ddseattle.com/Firm/Team for a description of D&D DNA - personal attributes that we value.

Ideal Candidate will possess:

Interior Designer: min 4-6 years experience

- Professional degree in interior design or architecture
- Hotel and/or multi-family experience
- Ability to work successfully with other professionals in a studio-like, collaborative work environment
- Superior communication and organizational skills
- Thorough understanding of the design and documentation process and ability to create, direct, and manage large-scale projects from start to completion
- Superior graphic skills and ability to communicate design intent through both digital and traditional graphic mediums
- Proven experience in successfully managing clients and team decisions
- Experience working with large consultant teams
- Proficiency in selection and specification of FF&E
- Thorough understanding of interior architectural technology, documentation, and building codes
- Proficiency in Revit, InDesign, Sketchup, and other current software
- Able and willing to travel

Work Life at Degen & Degen
